

Staff Update

April 12, 2019

Better Today than Yesterday, Better Tomorrow than Today.

PURPOSE

*Final SLO results are due to BUILDING PRINCIPALS by **April 5th***

Grateful

1-**HEF GRANTS**-Congratulations to Susan and Whitney who were both funded by HEF for the grants they wrote. Susan's grant is for a family program and Whitney's is for an overnight field trip at COS!!

2-**Lisa Sullivan**-Lisa ROCKED testing this week. Thank you to Lisa for all of the effort she put into coordinated accommodations, technology, room assignments, troubleshooting and more. And, she did it all with a smile. YOU ARE AWESOME!!

3-**Grace**-Nope not a person, a thing. Thank you all again for giving me grace as I was out so much this week with a sick kid. This has been the worst year for sickness for my family.

Staff Mental Health and Wellness

Our own Mental Health and Wellness is just as important as that of our students. Remember you do not have to and should not feel like you are expected to work 24/7. I challenge you to set limits.

Here are some ideas:

- Leave school 15 minutes earlier than you usually do
- Do not check email from home
- On your planning, go talk to someone on the staff about something NOT school related
- If you're feeling stress and need to take a 5 minute vacation from your classroom, send Lisa or I a text and ask for a 5 minute vacation. We'll come cover for you.
- Don't take ANY school stuff home

Try something and see if the world ends! I bet it won't! Please, take care of YOU!

Burlington Money

Please spend the money by April 5th. We want to make sure we have time for packages to arrive before the end of the school year.

HB66 important info for HOMEROOM TEACHERS

In order to help us be compliant with HB66, we will begin using the robocall system this Thursday. The main things I need from homeroom teachers are:

1. In your correspondence to parents, please ask them to update their Primary number, cell phone numbers and email addresses in Home Access. These all need to be listed separately in eschool in order to be identified correctly and used by the robocall system. Robocalls and emails will go out each morning when a child is marked absent with no valid reason. Their primary number is the one robocalled, then emails will go out and eventually texts will be sent to cell phones. They should also list work numbers and any other contacts in case of emergency.

If you send regular emails or newsletters, constant regular reminders probably won't hurt since numbers change pretty often.

2. Enter Attendance within 10/15 minutes of the tardy bell. Many of you do this already, thank you! If your computer is not cooperating, write down the date/teacher/students absent and lunch count then send it to the office. I will enter any tardies after the tardy bell, just be sure they have a late pass when they arrive to the classroom.
3. If you get word that a student will be absent, please let me and Anna both know as soon as possible. (forward email or send notes to the office.)
4. if parents are having trouble with Home Access, please direct them to me in the office or at 614-921-5900.

JW YOUiversity

We're on Week 4! I will begin assigning courses for the last 4 week rotation! Can you believe it!!!

ROUND 3 JW YOU

Please DOUBLE, TRIPLE and QUADRUPLE check your class lists. I know we have new students who need placed. Please email me their name and the class you'd like them in. Please avoid asking me to place them in classes that have more 25 or more kids.
