Scroll down for the calendar....just want to make sure you look at the whole update! ;)

Grateful

1. **Jim and Susan**-a big thank you to Jim and Susan for all of their work with iPad roll out. Thank you for keeping calm throughout the crazy!
2. **Becky**-Thank you for helping us with all of our computer and printer needs!
3. **Classroom teachers**-I am grateful for each and every one of you! It is HARD to set routines and expectations at the beginning of the year! You are ALL IN! I appreciate your hard work as our students "get their reps in"!
4. **Sarah, Shannon, Betty, Cathy, Wendy, Regina**-Thank you to our special ed team for working so hard to get schedules together for all of our kids!

VBOs

Keep talking about, practicing and helping kids understand our VBOs:
Stand Up and Own It
Power of the Team
Passion for Growth

Positive Communication

As always it is HIGHLY encouraged that you make a positive phone call home for all of your students within the first few weeks of school! It's amazing what a simple positive call can do to build great relationships with families.

SLO Canvas Course

Enroll and get those SLOs submitted and approved!

Subs for Data Teams

Please check your calendars so you can put in for subs for data teams!
EL data subs have been requested by Anna and Karen!

Birthday Party

Thank you to everyone for working so hard to complete the research for our birthday timeline!
Remember we need to have the items hanging on the timeline by Sept. 7th!

The Board Meeting will be Sept. 10th! The birthday party is Sept. 15th from 9am-noon.
We will be mailing invitations to every family.

STAR testing reminder

Good afternoon, everyone! The STAR testing window will be open from Monday, 9/10 - Friday, 9/21. This is the window for Early Literacy in first as well as Math and Literacy in grades 2-5. I have put a paper in your mailboxes with directions.

If you have given the STAR in the past, feel free to do this on your own - everything has stayed the same. *If you are administering the STAR on your own, please email the dates that you'll be administering each test.

If you are new to STAR, or would like help with logging on, I am attaching the times that I am available to help. I am so sorry that my times are limited! Please let me know if you have any questions or if you are unable to open [the link](#)!

Computer Logins

Classroom logins have been deleted this year. This means you can't log in generically with your room number.

Substitute teachers can use the login **jwrsu** and the password **dolphin2018** please include this in sub plans.

The computers are getting slower, so I recommend shutting them completely down at least once a week.

Good luck,
Becky

Texting

Remember-we cannot TEXT parents!
