Grateful

Thank you all! There were no fire breathing dragons!

[R Factor Lesson](#)

Next week is the last week of our October R Factor Lessons! Your class will complete the challenge and then please make sure you tweet to #jwrfactor

Here is a link to the lessons for [Kindergarten](#)

Here is the link for the lessons for grades [1 and 2](#).

Here is the link for the lessons for [grades 3-5](#).

The main goal is for kids to build an understanding of the BEHAVIORS of each VALUE.

[Tech Survey](#)

The tech dept. puts out a survey each Fall to get some data from students. We do actually discuss and look at data submitted as a tech team. It is a 7 question fill in the bubble style survey. If you could have your kids go to eschool and click the "Take Survey" button at the beginning or end of the day it would be appreciated. I would guess it would take 10 min. Survey closes on Nov. 9th. Here is the link if you want to see the questions asked: [Elementary Survey](#)

[Angst-Parent Universtiy](#)

Angst is an IndieFlix Original, documentary designed to raise awareness around anxiety. The film includes interviews with kids, teens, educators, experts, parents and a very special interview with Michael Phelps.

In Partnership with the Dublin City Schools we will be co-hosting free screenings of this movie. The goal of the film is to help people identify and understand the symptoms of anxiety and encourage them to reach out for help. We invite you to attend.

The Hilliard showing is scheduled for November 5, Hilliard Bradley High School, 6:30 (this screening will be followed with a panel discussion with Hilliard students) *please note this is a new location.

Mandatory Training Modules

As you may know, there are two training courses that are **MANDATORY** for **ALL** staff within the HCSD family that **must be completed each year**. Both courses are set up through Canvas and are readily available on your Canvas dashboard. The link to Canvas is found on our website, on the Staff tab, on the Insider.

Blood Borne Pathogens: There is a quick 10 question quiz at the end of the slide presentation. This should take no more than 10 minutes of your time.

Safety and Violence: This tutorial is a little longer and again, includes a quiz at the end.

Please be aware, that your participation in the two mandatory courses will be monitored to ensure that all staff members have completed this requirement. The courses will be open and available to all staff until November 21, 2018.

Thank you in advance for your participation.
