

Staff Update

December 20, 2019

Getting our Reps In.

OUR ONE WORD

REPS

Grateful

1. **Kelsey Lough**-Kelsey is humble! But, I want everyone to know how awesome she is. We had a parent asking for RTI info about her son and without missing a beat Kelsey produced data with percentages for everything the parent was asking about. Kelsey is AWESOME!!!
2. **Spec Ed Team**-We have had SO many IEPs this month! I have never seen anything like it! Thank you to Cathy, Shannon, Sarah, Emily, Tiffany, and Julie for all of your hard work.
3. **Winter Break**-WE MADE IT!

Breakfast tomorrow is-eggs, sausage, fruit, pancakes, coffee and juice

Love is an Intervention

A few months ago a little girl was in the counselor's office expressing concern that she and her family would have nothing for Christmas....LOVE!

Snack on Friday, December 20th

In lieu of snack time on December 20th each classroom will get fresh baked sugar cookies for the class party.

R Factor Lessons-for January

We will have an R Factor Assembly our first day back from break on January 6th! I think this will be a great way to kick off the new year! WE WILL BE ON AN ASSEMBLY SCHEDULE THAT DAY.

Tweet to #jwrfactor and #jwreason

Sign Out for Christmas Parties

We have created a sign out sheet for each homeroom for tomorrow afternoon. They are in mailboxes, please post them prominently in your room and let any parents taking their kids after the party know to sign their children out in the classroom.

So, pink sheets will only be needed for kids who will not be signed out in the classroom - and - are going home a different way than usual.

Although if in doubt, Pink sheets never hurt!

Hope that makes sense and keeps things simple and not congested.

iPad Updating

Starting at 3:30pm on December 18th, our iPadOS deferment profile will be removed from all iPads within the district. After the profile is removed, both staff and students have the ability to

update their device to iPadOS. While we are not blocking the Apple traffic via filtering, we would encourage users to update over the break.

The latest version of iPadOS is 13.3.

Smalley Quick Facts:

*iPads will not be able to be in use until the update is finished.

* Teachers and 5th graders encouraged to update on home network. (Will update much faster)

*Take time to update apps that you use most by clicking "install" from the app portal. (Google Apps, Canvas, Spark etc.)

[Staff Meeting on Friday the 20th](#)

We will NOT present anything related to our DESIGN THINKING CHALLENGE at the staff meeting on Friday the 20th. Instead we will do:
