Getting our Reps In.

OUR ONE WORD

REPS

Grateful

1. **PTO**-I am so grateful for Adrienne Robson and the small but mighty PTO! They put together a great conference dinner and really care about all of us!
2. **All of you**-Conference week is stressful---thank you for putting in so many hours to meet with parents, to reschedule meetings and to make sure that our parents are informed about their kids! You truly DID THE WORK this week!
3. **A four day weekend**-I cannot even express how grateful I am for a 4 day weekend! I hope you all take time to relax and recharge.

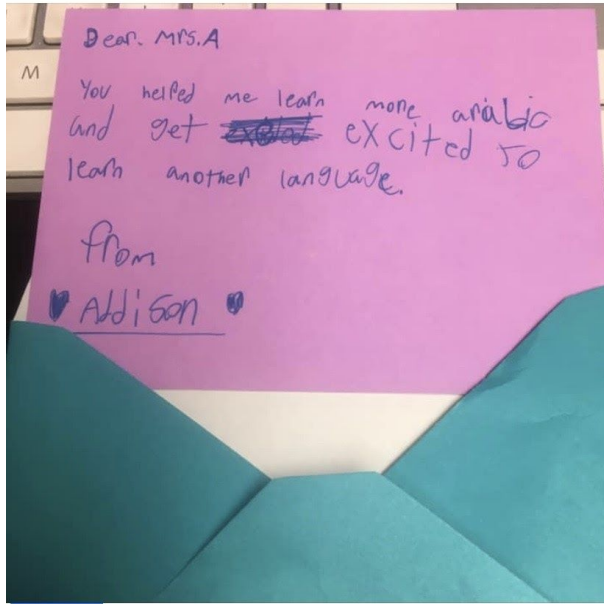

Love is an Intervention

Some adorable words coming from a young kid's heart make my day and support me. I am really grateful for teaching them ❤️

Just a reminder that we are loved by our students! Mrs. Abdelnaby got to feel the LOVE this week!

From the PTO

We will be selling candy bars as a PTO fundraiser like last year. If you recall, students took home a permission slip for parents to sign and return stating they will be responsible for a full box of candy that cost \$60.

When the slip is returned they can take a box home and sell the candy but must keep and pay for the entire box.

Prizes will be--Dolly water bottles for Field Day---and we'll be looking for volunteers to be slimed if the school reaches a certain amount of sales!

[R Factor Lessons-for February](#)

Please be sure to have kids fill out the My R Created and E for others cards and get those hung up on the posters!!

Keep reinforcing that to Make a Difference means that our R creates and E for others.
