Getting our Reps In.

OUR ONE WORD

REPS

Grateful

1. **Kelly VanFleet**-Kelly is amazing at communicating with parents! And, Kelly did all kinds of work to gather information that I needed to make a phone call to one of her parents who had questions about attendance! What's amazing is that Kelly didn't really have to do this work but she wanted to help!
2. **Kelli Webb, Stacey Morris, Michael Jenkins, Gaye Cline, Molly Ells, Whitney Gorbett, Allison Ryan**--Thank you all so much for the amazing insights you shared with the school yesterday! I felt like a proud mom hearing all of the things you were saying about R Factor. This is such an amazing place because of all of you! Thank you for your positivity, passion for growth and commitment to "doing the work"!
3. **Jerry Bickel**-Jerry saves me on a daily basis. On Wednesday, I was supposed to be stationed at the front door to greet Power Hour kids, I was late and Jerry happily stood there and greeted everyone. Then when I arrived he told me to

Love is an Intervention

It's important to remember that LOVE is an intervention for US too! I walked into school today and found this coffee in my office....no note, just a kind gesture (or someone accidentally left their coffee on my desk...but I choose to believe it was a kind gesture!) Either way-I was reminded that it's important for us to take time to LOVE our colleagues too!
