Getting our Reps In.

OUR ONE WORD

REPS

## Grateful

1. **Bobbie Decker**-If you didn't already know it, Bobbie is a WEALTH of knowledge. Bobbie always pushes my thinking and helps me be reflective about the work we do with our youngest learners. She is also an advocate for children with special needs and is relentless in ensuring that we make the best decisions to support them!
2. **TGRG**-I didn't know I could be thankful for the Third Grade Reading Guarantee but today I am because so far we have tests 10 or our 15 kids at risk for retention and all 10 have passed the STAR Alternative which means they are headed to 4th grade next year.
3. **Snow Days**-Need I say more?

## Love is an Intervention

I ran across Emily in the hallway the other day. She was happy because Lyna made a difference for her. I love that a simple action could make such an impact. Emily wrote, "Lyna played with me and that made me happy." Let us not forget that love is the little things.

## Secretary Update

On Wednesday, a team consisting of me, Lisa S., Cathy, Amanda D., Karan M., and Michael interviewed 3 potential secretary candidates. Little did the candidates know that Mrs. Deri was secretly interviewing them as they waited to be called into the coaches office for their interview!

The good news is that we unanimously agreed on a new secretary and she was Mrs. Deri's first choice too. We are still in the process of checking references and doing a public records check. As soon as we are able to extend an offer I will give you more information.

## Printers

I have put in a work order to have all of the color printers removed except for the one in the work room. The reason is that we are already \$1,600 OVER BUDGET for printing for the year. That means we spend our whole printing budget PLUS \$1,600 by January 30th! EEEK!

We are looking at spending another \$3400 on printing which would put us at close to \$7000 spent this year. We have to take all of the overage out of our 2020-2021 budget!

We want to see if the reduction in color printing will help. Based on our research it is what is costing us the most money.

## [JW YOU Round 2](#)

It's time to select Round 2 choices! I am putting copies of the QR codes in your mailboxes. Please have students select courses ASAP. I will need to have them select courses by NO LATER THAN MARCH 5th!!

## [Assessment info into TAC by 2/28](#)

Just a reminder that HRSIW (K-2 only) and F&Ps (K-5) are due in TAC tomorrow, 2/28.

## [JW Grows](#)

For this round of JW Grows we embedded the PD into our data teams. Grades K-3 and Title participated in an observation and debrief during a recent data team. We have received great feedback about this.

**We will be scheduling JW GROWS for 4th and 5th grades on March 11th.**

## [Rapid Evacuation](#)

BEFORE SPRING BREAK WE WILL HAVE OUR RAPID EVACUATION DRILL WITH POLICE. I CANNOT TELL YOU WHEN.

Please begin practicing this with students.

Main goal:

Show them how to get out of the building FAST but without pushing or hurting anyone

Run to a designated place and then talk with the class about where they would go if they really had to keep running away from the school.

## [Mobile Dentist](#)

The mobile dentist is coming back to JW on 4/28 and 4/29! Please be on the lookout for forms to start coming back! Thank you.

## Panorama-2/24-3/6

Good morning, everyone! The window for the Panorama Survey opens on Monday, 2/24 and closes on Friday, 3/6.

Here is how to have students log in:

## How will students take the survey?

Students will take the survey during class. Please plan to allocate one class period to this effort.

### TAKING THE SURVEY

- Students will go to: **surveys.panoramaed.com/hilliard**
- Students will enter their access code. Their access code is their first name combined with their student ID number.  
*For instance, if Caleb has the ID number 123456, then their access code would be caleb123456 - all lower case!*
- Students will hit the blue "Submit" button to enter their survey. If they do not hit this, their responses will not be saved

Here is the [Proctor Guide](#) that has a script that you can use to help you administer the survey. I also have a [Vocabulary Mini Lesson](#) for you to use before the Panorama to allow students to see and hear the vocabulary used in the questions.

Please let me know if you have any questions or if you need any assistance!  
The district will be scheduling our assessment day subs for us for spring.

## SPRING ASSESSMENT DAYS

Please check below for your assigned day.

I know that this may not be ideal for everyone, but please note that I did not pick the days-the dates and number of subs were assigned to us. So, here is the method behind the madness of how I assigned you to a specific day:

1-We were given 2 Friday assessment days-I used those for EL coteachers b/c they do not teach JW YOU.

2-I tried to keep grade levels together when possible

3-If I have scheduled your day on a day that you have a planned absence already please let me know ASAP.

4-Please be ready to adjust and adapt

5-I am considering this the **second** draft however the dates and number of subs on each day cannot be changed.

6-Some of the dates are dates that have been already assigned as AIR test dates therefore I had to avoid have grade levels assess for assessment days if that is their AIR test day.

**4/17-AIR MAKE UP DAY- (2 subs)-**Gorbett** and Webb-Assessment Day**

**4/21-5th GRADE MATH AIR TEST-(5 subs)-Morris, Jeckavitch, Denman, Clarizio, Ells-Assessment Day**

**4/22-3rd GRADE MATH AIR TEST-(3 subs)-Lough, Norris, Jenkins-Assessment Day**

**4/28-5th GRADE SCIENCE AIR TEST-(5 subs)-Geckeler, Decker, VanVleet, Van Fleet, Callif-Assessment Day**

**5/1-AIR MAKE UP DAY- (2 subs)-Stauffer, Ryan-Assessment Day**

**5/5-AIR MAKE UP DAY-(5 subs)-Zawisza, Hudson, Knickerbocker, Jones, Miller-Assessment Day**
