Getting our Reps In.

OUR ONE WORD

REPS

Grateful

1. **Amanda Davell**-She is rocking it as our full time coach! I am so grateful for her quirks and awkwardness.
2. **Karen Mankin**-Next week is Karen's last week at JW and then she'll be moving on to Hilliard Crossing. Karen-thank you for all of the laughs and great memories from the last 8 years! Time flies!
3. **Katie Geckeler**-I love watching Katie embrace discomfort. She says she doesn't like it, but I think she actually does! Katie is trying lots of new things in her K classroom to meet the phonics and phonemic awareness needs of her kids and she's secretly having fun...I know it!

SPENCER----WE LOVE YOU AND WILL MISS YOU WHILE YOU ARE AWAY ON MATERNITY LEAVE! ENJOY EVERY MINUTE AND DO NOT THINK ABOUT SCHOOL! WE ARE SO HAPPY FOR YOU!

Love is an Intervention

Yes, yes it is, but right now I'd recommended keeping a solid several feet away from each other because EVERYONE IS SICK! Stay healthy, my friends.

School Supply Lists

There are MANY things that are not on your supply lists that might have been in the past. As a team, please fill out [this google doc](#) with items that you still need that I will attempt to buy in bulk. I can't make promises that I will buy it all but I will take a look at what we need and let you know what we will be able to purchase.

The district has made a decision to move to having the same school supply list for each grade level in the district. [Click here](#) to see the list.

Cell Phones and Electronic Devices

Hi all. We have had several questions about our cell phone/electronic device policy for students. **Below is wording that I'd like you to include in communication with parents.** I will also be sending this in my weekly updates to parents. Please note that cell phones and apple watches/gizmos should be turned off and kept in a backpack during school hours. They are NOT to be out at recess. Kids are prohibited from taking pictures or video on their devices.

Electronic Devices and Cell Phones: Personal cell phones and other electronic devices such as Apple Watches should be turned off and kept secure in back packs when not being used under the supervision of an instructor. The school district is not responsible for the loss or damage of cell phones or personal electronic devices if parents elect to have their child bring one to school. Any phone or electronic device will be subject to confiscation if it creates a disruption to the academic environment. A student using an electronic device which creates a disruption or refusing to follow a reasonable request from a staff member pertaining to the phone or device may be subject to disciplinary action. Staff will be the final judge of the appropriateness of their use. Using a cellular phone or an electronic device to film/record/take pictures of any student or staff member is prohibited.
