

Staff Update

January 18, 2019

Better Today than Yesterday, Better Tomorrow than Today.

PURPOSE

Grateful

1-Anita Norris and Michael Jenkins had a tough conversation with a parent on Wednesday. These two handled the situation with confidence and I think great things are going to happen for the student because of them!

2-Kelsey Lough-On Thursday morning we asked Kelsey if she'd be up for having teachers in her room to observe math instruction. Kelsey welcomed the teachers and they were AMAZED at what they saw. This goes to show that we are not a dog and pony show-great instruction is happening daily, it's just what we do.

3-Alyssa Knickerbocker-we had some visitors come to see first grade literacy instruction, I decided to help Alyssa get comfortable with being uncomfortable and I had the visitors check out her instruction! She was awesome!

Paper Coding Reminders

Here are the [links](#) to the K-2 paper coding lessons.

Here are the [links](#) to 3-5 paper coding lessons.

Our hope is that you try these in your classroom. When you complete all four lessons your class will earn a SUPER COOL DOLLY BADGE to hang in your classroom.

Printer/Copier

I need your help! I need all of us...me included...to print as much as we can to the COPIER (I never print to the copier, I'm OWNING that).

We have go WAY WAY WAY over budget on our cartridge and printing expenses. We spend more on printing than Horizon and they have 100 more kids than we do. This will cut into our budget for buying supplies at the end of the school year.

Please be sure we print all ETRs, IEPs, and anything else we can to the COPIER.

We have to POWER OF THE TEAM this!

Thanks everyone.

I love your tweets! Keep up the great work! When you tweet please add **#jwreason** to all of your tweets. This will create a "digital file folder" of all of your tweets so that we can easily access them to share our story.

We can still add other hashtags as well like:
