

Staff Update

October 11, 2019

Getting our Reps In.

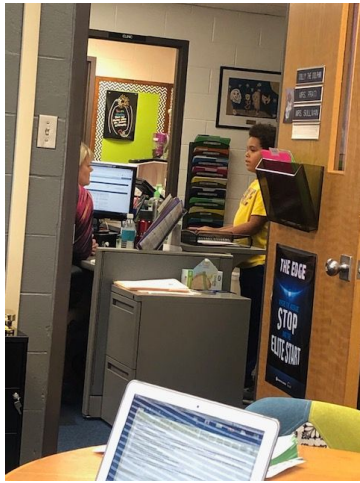

OUR ONE WORD

REPS

## Grateful

1. **EL Teachers**-Wow! It is not easy to schedule 127 EL conferences with interpreters and somehow our EL team did it! Thank you to Stef and Alicia for your organization and to Bethany for jumping in as part of the team to do anything necessary to make sure these days went smoothly
2. **Everyone who covered Fail to Filll**-We used Title Funds to schedule 2 floating subs for our EL conferences and they were both fail to fill. But because Mary Honse and Linda Zorich were able to step up, we covered one of those and then, Lisa, Amanda, EL teachers, Emily Kerr and Bethany Lee helped cover for conferences
3. **Anna**-Anna came back on Thursday afternoon! It is so great to see her face!
4. **Lisa Proffitt**-Lisa has stepped up to the plate to help us while Anna has been out AND she has been happy to jump in and extend her sub job as needed!

## Love is an Intervention

**Mrs. Proffitt took some time on Monday to stop her work so she could spend time with Zeke as he read a book about cars during his green card break. He told her lots of facts about cars and truly enjoyed his time with her.**

## R Factor Lessons-OCTOBER

Please be sure to complete the weekly R Factor Lessons. Be sure to scroll to the bottom of the lesson plan to see the questions that will be on the kahoot for the quiz at the end of the month. K and 1---you won't do the kahoot.

Everyone-we will be sending a sign up for each classroom to pick a time for a HERO to come and do the kahoot with your class...K and 1-your hero will just ask the questions to your kiddos.

## Tshirts

Thanks to Donna Ball for sorting our HOF shirts. I will be giving teachers their shirts next week and we will pass out the kid shirts in the morning on Oct. 29.

## SENSE OF BELONGING Design Thinking Challenge

In November we will begin developing our prototypes for the Sense of Belonging Design Challenge! Keep dabbling and trying things out!

## Tutoring

If you have a student receiving TUTORING SERVICES FROM EMILY-----

THE CLASSROOM TEACHER IS THE DIRECT INSTRUCTOR

Classroom teacher is RESPONSIBLE FOR THE GRADE CARD

Classroom teacher WRITES THE RIMP

Classroom teacher NEEDS TO SEE THE CHILD FOR ALL PARTS OF THE GEN ED CURRICULUM

THE TUTOR IS SIMPLY A SUPPLEMENT TO THE GENERAL EDUCATION CURRICULUM

The only students who the classroom teacher is NOT the direct instructor for are kids on MODIFIED CURRICULUM in which Shannon and Sarah are the direct instructors!

This is just to clarify...I know that this can become gray. So please ask questions whenever you have them! :)

## Coffee with the Principal was a HUGE SUCCESS

We had an amazing turn out for Coffee with the Principal. 37 parents came to visit us!

We talked about:

Ready for Tomorrow

Academics, Interest and Mindset

Snack

JW YOU

R Factor

One2One

Sense of Belonging

Zones of Regulation

JW Grows

Parents loved coming to your classrooms.

Here are some of the things they shared:

***The teachers are so patient***

***I loved that the kids had a meeting and got to share their favorite movie--they were all looking at each other and seemed so happy.***

***How do they get them to focus like that!***

***I love the colors that go with the feelings***

***It's so great the way the classrooms are set up-kids can sit in different places and work together!***

**THANK YOU!**

***It's so great that you don't only focus on academics but that you focus on the whole child.***

***I was concerned when I saw your state report card, but now I'm not (from a new parent to the school)***

So, thank you all for welcoming these parents into your classrooms. They were beyond impressed and we built some great relationships!

## Home Visit Update

We will be continuing with Home Visits in November. Our friends from Veritas Church have graciously provided us with WELCOME BASKETS to give to each family that we visit! The baskets include-tea, a throw blanket, oven mitts, a coffee mug, a gift card, and candy!

## Special Ed Data Team

We will have our FIRST spec ed data team of the school year on Tuesday the 15th from 1:45-3:45.

I am not going to be able to get subs, Shannon and Sarah communicate with classroom teachers and send work for students on modified curriculum AND/OR make arrangements for Casey and Wendy to support kids in classrooms.

Emily will not be seeing her kids from 1:45-3:45 that day.

## Power Hour Oct 21

Power Hour starts Monday, Oct 21! Amanda will be getting info to you to share with parents regarding bus numbers, bus stop and pick up times!
