This information should clarify some confusion.

Substitute teachers -

- Schools with a tardy bell ringing at 9:05 am
- o Report time is 8:20 am.
- o The half day mark is 12:15 pm. This is also the time for HCSD certified staff.

Please see Jim's email about printing to the copier!!

Tentative R Factor Details

The R Factor team met with me on Monday afternoon. We discussed ways to continue keeping an emphasis on culture. Here is what we discussed:

- 1-Starting each week (Mondays) with a 30 minutes R Factor or Mindset lesson.
- 2-Running an adjusted related arts schedule on Mondays so all staff can participate in the lessons
- 3-The first Monday of every month having a whole school assembly to kick off what will be a THEME for our R Factor lessons for the month.
- 4-We would like to start this Sept 15
- 5-Lessons will be created for you and you'll just have to follow them
- 6-We need a team to create the lessons
- 7-Kindergarten this might be the perfect time for Zones of Regulation lessons

Thoughts? Ideas?

Anyone have an idea for a cool name for this time?

Lockdown Level 3-Barricade

Sometime in the month of September we will have our first practice Level 3 lockdown with a barricade. Please practice this with your students.

Remember:

- Cover the classroom door window and pull blinds
- Push as many things as possible in front of the door
- CHECK YOUR SAFETY BAGS---you should have a dog leash to tie around your doorknobs to ensure that they stay shut
- If your door allows for it, keep the door locked at all times but have the magnet over the lock
- During the lock down, simply remove the magnet and pull the door shut
- After kids have helped barricade, have them hold a weapon-something they can throw, scissors, books, chairs, etc.
- Do NOT open the doors even if I come on the announcements and tell you to. The only way to be released is if your door is unlocked by someone with a key.
