Positive Communication

As always it is HIGHLY encouraged that you make a positive phone call home for all of your students within the first few days of school! It's amazing what a simple positive call can do to build great relationships with families.

IDC Kick Off

The whole school zoom reveal of the Innovation and Discovery Center (IDC) **will take place tomorrow (8-20) in the morning at 9:30 AM**. You will use the Zoom link below to join in. I will introduce myself and Sue Plihall (IDA) and then will walk through the space highlighting some of the changes. Anticipate it to last about 10 min.

Steps to Join Zoom:

- 1.) Turn on Projector.
- 2.) Plug in your laptop to VGA cord using the Dongle I gave you.
- 3.) Plug in the audio cord from the wall port (just below VGA input) to your audio port in your laptop. This will allow sound to play through the projector.
