## Gifted Referral

I know that it is early, but there is a MAP-Math gifted [testing window](#) with a referral **deadline of 9/27/21** coming up! The testing will occur 10/4 - 10/20. If you are seeing students with unmet needs in Math, please refer them **by the deadline** for gifted testing! I will have gifted referral sheets in my mailboxes in all 3 schools, and you can also retrieve a form from the district website under [gifted referral form](#). In addition, STAR READING IS ON THE ODE APPROVED TESTING LIST AS AN IDENTIFIER for this year (95%ile and above)! **STAR Math** will still need to be referred for further testing. Please make a copy of the Gifted Testing Calendar linked above so that you are aware of the further deadlines for referrals on each testing window.

Please notice that there is only one CogAT (verbal, quantitative, and nonverbal assessment) testing window. Also, continue to refer students showing mastery in any area! Thank you.

## Hispanic Heritage Month

Hello Wonderful Staff,

Thank you so much for showing an interest in Hispanic Heritage Month. I think this is going to be a super cool project. Just a reminder that Hispanic Heritage Month is **September 15- October 15**. During this time, you can decide what to teach your kids about the country you are assigned.

Here are some examples of things you can discuss about your country:

At the end of the project (October 14) we will display what we have learned in the hall and do a world tour. More info on the world tour to come.

### **BE READY WITH CANVAS-----Kids in Quarantine**

We are responsible for continuing to educate kids who are in quarantine. Please be sure that you have a plan (most likely---make sure that your kids know how to use Canvas) and teach kids how to access work from home if they happen to end up in quarantine.

### **Snack**

You can have snack outside and spread the kids out. This way, we wouldn't have to quarantine kids if we end up with a positive case!

### **Water Money**

If you want to use the Culligan please pay Kim \$35. You can pay with cash or a check made out to JW Reason.

### **Positive COVID cases**

Classroom teachers--Please share info about kids out for quarantine with related arts, EL, title, spec ed and other staff that need to know.

### **VBOs are our "classroom rules"!**

Keep talking about, practicing and helping kids understand our VBOs:
