Peer to Peer Relationships

I was given the resources below at my admin meeting today! I thought they were very easy to use and could be helpful if you'd like to work on building peer to peer relationships in your classrooms!

- Increase peer to peer relationships by 10% as indicated on the Panorama student survey.

Dolly Dash-GET READY TO GET SLIMED

We raised over \$10,000 for our Dolly Dash! **We have our TEACHER SLIMING scheduled for Thursday, October 14th!** Stay tuned for details.

Dolly spirit day will also be on the 14th.

21st Century Grant

We have had a successful first week of Power Hour and After School Adventures!!!

We are offering 9 classes!

We had 126 kids sign up for classes! Some of the 126 are taking more than one class!

Thanks to all of you for helping get kids to the right places after school.

Conferences as Parent Meetings

We need to have all Parent Teacher Conferences, IEP meetings and other parent meetings on ZOOM!

If there is a parent demanding a face to face, please let me know and we may be able to make an exception in certain circumstances.

Hispanic Heritage Month

Nancy and Stef have been working so hard to get in contact with some Hispanic families to come into our school to talk about the country they are from. If you would be interested in having a family from the country you are studying come in, please fill out this [Form](#). Nancy and Stef will work on getting it scheduled with those families and we will let you know who and when your guest is coming in to speak. Also if you want to get together as a team to fill this out you can as well.

Let Mallory know if you have any questions.

VBOs are our “classroom rules”!

Keep talking about, practicing and helping kids understand our VBOs:
